Please Welcome Our Newest Member, Angie Hummel

I am from a small town in north central Indiana. I attended Mishawaka Marian High School and graduated in 1996. After Marian I went on to attend Purdue University in West Lafayette, IN where I majored in Animal Science. I obtained my BS from Purdue in May 2001 from the Animal Science department. I took some time off before going to chiropractic school and worked at AM General in Mishawaka in the H2 assembly plant as an Engineering Assistant. During this break I got to spend good quality time with my family. In Jan. 2003 I started Logan College of Chiropractic and graduated with my doctorate in April 2006. I have always wanted to live in the Savannah area or Carolinas and focused my job search to these places and accepted a position in August 2006 to open a Chiropractic office in Rincon, GA. I bought a house in Lost Plantation in Jan 2007 and moved here in Feb 2007. Opened Effingham Chiropractic in April 2007. I am not married and have no children and like spending my free time meeting new people and exploring the coastal areas.

No aspect of Rotary is more closely related to each member than a personal commitment to represent one's vocation or occupation to fellow Rotarians, and to exemplify the characteristics of high ethical standards and the dignity of work. Programs of vocational service are those that seek to improve business relations while improving the quality of trades, industry, commerce and the professions. Rotarians understand that each person makes a valuable contribution to a better society through daily activities in a business or profession. Vocational Service is frequently demonstrated by offering young people career guidance, occupational information and assistance in making vocational choices. Some clubs sponsor high school career conferences. Many recognize the dignity of employment by honoring exemplary service of individuals working in their communities. The 4-Way Test and other ethical and laudable business philosophies are often promoted among young people entering the world of work. Vocational talks and discussion of business issues are also typical Vocational Service programs at most clubs. Regardless of the ways in which Vocational Service is expressed, it is the banner by which Rotarians
