To all:

D.K. Lee, our International President of Rotary has chosen as one of his goals to help reduce child mortality. I have asked our club to partner with the Pregnancy Care Center of Rincon as a way to participate in President Lee’s goal.

This week we will have as our speaker Laura Devisscher, Director for the Pregnancy Care Center of Rincon. As our project, we will have a “Baby Shower” (see attached) this Thursday to help provide the center with the items they need to give to their clients.

They are also in need of two computers for an upcoming program they are looking to start shortly. It is called Earn While You Learn. This program would offer women who are pregnant or new mothers the opportunity to come into the center and participate in an education program. A basic Dell computer with a monitor is around \$600. If you prefer not to purchase one of the items in the attached list, please feel free to donate cash towards the computer.

Let’s do what we can to provide the center with lots of items they need.

Thanks for your participation in our “Baby Shower.” See you Thursday.
